

Town of Louisville Equipment Shed

Addendum No 1 September 20, 2016

1. For those contractors bidding the general construction "Project D" please include the cost of providing Performance and Payment Bonds and building permit.
2. For the pre-engineered metal building "Project B" please include the following:
 - A. Alternate 1: Cost to provide/install 6" thick vinyl-faced batt insulation in roof.
 - B. Alternate 2: Cost to provide/install 4" thick vinyl-faced batt insulation in walls.
 - C. Alternate 3: Cost to provide/install "screw-down" roof in lieu of standing seam.
3. The removal/replacement of the existing fence along with grading/backfill will be by the Owner.
4. Footing spoils can be disposed of on site.
5. For concrete foundations "Project A" please include a per cubic yard cost for rock removal.
6. Bollards are to be non-galvanized painted.
7. Please see attached bid form.
8. Bids will be opened privately on Wednesday, September 28, 2016. Results will be announced the week of October 3.
